Project 2: Witch with Lizard

9 x 12 Watercolor Paper with Colored Pencils & Star Stickers

1. Tape watercolor paper down to a board and pass out to each student.

2. Have students put their name on the tape with a **black Sharpie.**

3. Using a HB pencil, guide students through the drawing of the project.

4. Have students **trace over** all pencil lines with a **thin black Sharpie**.

5. Using **colored pencil**, guide students through coloring the witch's face and hair.

6. Using **Watercolor,** guide students through the galaxy pattern of the underside of the hat and the witch's cloak. Then paint the green of her hat, the iguana, and finally the background.

    a. **Introduce:** Wet on wet techniques by applying watercolor to wet paper to get the ultimate color blends for the galaxy pattern.

    b. Tip: Remind students to leave space between wet colors if they don't want them to blend.

7. Set aside to dry.

8. Allow students to apply star stickers to the background.

9. **OPTIONAL:** Once dry, colored pencils to add sparkles/dots to the galaxy pattern, as well as add additional details in the face, hair, and iguana!
