Project 2: White Bison

9 x 12 Recycled Boards with Chalk Pastel & Colored Pencil

1. Pass out boards to each student. Have students put their name on the back of the board with a **black Sharpie**.

2. Using a pencil, guide students through the drawing of the project.

3. Have students **trace over** all pencil lines with a **medium black Sharpie**.

4. Line tables with recycled newsprint to reduce mess. Using **chalk pastel,** guide students through the entire coloring of the project.
    a. **Focus On:** Teaching students how to layer and blend their pastels!
    b. TIP: pass out a **baby wipe** and **paper towel** to each student.
        i. Baby wipes: Students can easily keep their hands clean preventing finger smudges!
        ii. Paper towels: Students can clean their pastels by rubbing or coloring on the paper towel.

5. OPTIONAL: Using colored pencils, add the finishing details like the eyes, nose, and fur texture!

6. Using hairspray, spray both the front and back of the projects to fix the pastel. Allow time to dry!
