

Spring Squishmallow Camp 2026

Project 2: Strawberry Squishmallow

Bristol Paper with Marker & Chalk Pastel(optional)

1. Pass out Bristol paper, pencil, and eraser to students. Have students write their names on the back of their paper.

2. Using a pencil, guide students step-by-step through the drawing of the Strawberry Squishmallow.

3. Once the sketch is complete, have students trace over all pencil lines with a **black Sharpie**.

   They should also fill in any areas that are meant to be solid black.

4. Use **markers** to guide students as they color the squishmallow, strawberries, and leaves.

5. **Option 1:** Continue to use **markers** to guide students through the sky and grass.

   Option 2: To speed things up, switch to **chalk pastels** and guide students through the sky and grass.
   Remember to spray with hair spray if using chalk pastel!
