Project 4: Tiger Sleeping

11 x 14 Canvas with Acrylic

1. Get a 11x14 Canvases. Put your name on the back of the canvas frame. Make sure your canvas is turned hotdog style with the short sides on the left and right and the long side on the top and bottom.

2. Using a **pencil**, draw the outline of the tiger's nose, eyes, ears, head, and arms. Then draw the stripes after you are happy with the outline of its face.

   Draw the branch, flowers, and leaves.

3. **Trace over** all pencil lines with a **thin black Sharpie.**

4. Color in the stripes with **a medium Sharpie.**

5. Using **acrylic paints,** paint the drawing starting from light colors and finishing with darker colors.

6. Set canvases to the side to dry.

7. **OPTIONAL:** Paint over the stripes with black paint or color with black sharpie if they got covered.

8. **OPTIONAL SHADING:** Add shadows to the branch by mixing brown with a little bit of black AND blue and adding it the the bottom part of the branch and under the paws. Add shadows to the orange by mixing it with a little red and black. And adding it to the right side of the tiger's nose and paws.
