Wonders of the Water Summer Camp 2026

Project 3: Whale with Boat

9 x 12 Pastel Paper with Oil Pastels & Colored Pencils

1. Have students pick out their color of pastel paper.

2. Have students put their name on the back of their paper with a **pencil.**

3. Using a HB pencil, guide students through the drawing of the project.

4. Have students **trace over** all pencil lines with medium and thin **black Sharpies.**

5. Using **Oil Pastel,** guide students through the entire coloring of the project.
    a. Teach students how to layer and blend their pastels, starting with lighter colors first then ending with darker colors.
    b. TIP: pass out a **baby wipe** and **paper towel** to each student.
        i. Baby wipes: Students can easily keep their hands clean preventing finger smudges!
        ii. Paper towels: Students can clean their oil pastels by rubbing or coloring on the paper towel.

6. Finally, add the white dots on the whale using a white colored pencil. Feel free to add any additional, small details with colored pencils to finish!
