Project 4: Inspired Matisse Cat

9 x 12 Bristol Board with Markers

Henri Matisse: He focused on vibrant, colorful art using simple “cutout” shapes. He led the Fauvist art movement where artists would use random, bright colors to represent things such as a portrait of a woman with a green face or a person’s body with complete red skin!

1. Grab a 9x12 Bristol board paper. On the back of their paper, write your name with a **HB pencil**.

2. Using a pencil, begin drawing starting with the cats head and body and working your way outward.

3. **Trace** over all pencil lines with a **medium black Sharpie**.

4. Using **markers,** color the entire drawing. Make sure to use vibrant colors that fit the style of Henri Matisse.
