Wonders of the Water Summer Camp 2026

Project 2: Stringray

9 x 12 Watercolor Paper with Paint Markers & Plastic Wrap

1. Tape watercolor paper down to a board and pass out to each student.
2. Have students put their name on the tape with a **black Sharpie.**
3. Using a HB pencil, guide students through the drawing of the project.
4. Have students **trace over** all pencil lines with a **thin black Sharpie**.
5. Using **Watercolor,** guide students through the entire painting of the project.
    a. **Introduce:** Wet-on-wet technique by wetting the entire background then dropping in watercolor paints with their brush, being sure to use enough pigment to fill the background.
    b. **BEFORE IT DRIES:** Apply plastic wrap to the water background, allowing it to bunch up and create folds for a texturized watercolor appearance. *Do not remove.*
6. Set aside to dry overnight.
7. Once dry, remove plastic wrap and use **paint markers** to apply the white dots on the sting ray.
