Rainbow Remix Summer Camp 2026

Project 2: Stained Glass Sun

9 x 12 Watercolor Paper with Jazz Paint

1. Tape watercolor paper down to board and pass out to each student.

2. Have students put their name on the tape with a **black Sharpie.**

3. Using a pencil, guide students through the drawing of the project. Make the process of drawing a circle by having students trace the circle stencil.

4. Have students **trace over** all pencil lines with a medium or a large **black Sharpie.**
    a. **HINT:** to create the stained glass look, have students make all of their lines thick!

5. Using **Jazz Paints,** guide students through the entire painting of the project. Have students experiment with mixing their jazz painting to get rainbows.

6. Set artwork to the side to dry.

7. Once paint is dry, have students retrace their back sharpie lines!

8. **OPTIONAL:** Have students cut out their circle 😃
